## **Smart Essay Writing Service**

Together with the oldest Russian magazine "Questions of Literature" and the School "We write on the roof" we invite you to the third lecture by Anna Zhukkove on the trends in the development of modern literature.

We meet online January 21 at 16:00 (MSK). Participation in the webinar is free. To join the lecture online or see it in the record, please register.

This time we will talk:

why it is necessary to study mass literature;

On domestic fiction and modern detective, about the features of fantasy and the love romance, about the new popular genres of the Dock Blog and Young Adult.

Anna Zhukkova - critic, literary critic, author of the magazine "Questions of Literature" and the master of school "We write on the roof"

This meeting is the continuation of the two previous lectures of Anna, they are available on the site - the first and second.
